

POLICY ON CLIENT CODE MODIFICATION

Meaning of the Term “Genuine Error” :-

- Error due to communication and/or punching or typing such that the original client code/name and the modified client code/name are similar to each other.
- Modification within relatives (‘Relative’ for this purpose would mean “Relative” as defined under the Companies Act, 1956).

Procedure to be followed:-

- Any trade (institutional or non institutional) categories as a genuine error would be shifted to our “error account” immediately.
- The outstanding positions arising out of trades in error account are subsequently liquidated/closed out in the market.
- Such position in any case is not shifted to some other client code.

Note:- Modification in the client code is allowed only in case of genuine errors.
