Online Fund Transfer

Online Fund Transfer Concept

Ashika has tied up with a vendor with whom we have got net banking gateway access to 34 leading banks of our country

Now a customer can transfer fund to Ashika anytime he/she wants and the same will be instantly debited to his/her account

Based on this a client can clear his debit with Ashika or give further funds to get further limits or avoid margin shortfalls

By way of online fund transfer, a client can transfer money into any of the following segments with Ashika:

BSE-CM	BSE-F&O	NSE-CM	NSE-F&O
NSE-Currency	MCX-Currency	MCX-Commodity	ACE-Commodity
NCDEX-Commodity	ICEX-Commodity	NCDEX-Spot	NSEL-Spot
IPO	Mutual Fund-BSE	Mutual Fund-NSE	

Online Fund Transfer Concept

A convenience fee of Rs 13.5 is charged to the client for availing this facility. The same is collected by the vendor providing this facility and this money does not come to Ashika in any way. Hence this will not reflect in your ledger with us.

This facility has been availed only for pay-in to be made by a client to Ashika and not for getting pay-out. If a client wants pay-out, he can ask for the same on the IVR system working on our toll-free number 1800 212 2525. Else he can also get a pay-out through the Online Customer Care facility available on our website
