Sub: Request for Offline mapping of my internet trading code: **UCC X101K111**

Dear Sir,

Please note that I have a client code **X101K111** in your esteemed company. I have opted for internet trading with you. My mobile number is **9000090000** and email ID is [abc@xyz.com](mailto:abc@xyz.com)

Many a times I am not accessible on the internet due to various personal reasons and hence unable to place the trades. I thereby request you to kindly map my code for offline trading as well with your esteemed Authorized Person/Sub Broker **Mr. XYZ** in their dealing terminal. I thus request you to kindly allow my code to be mapped for internet trading as well as offline trading. I completely understand that I shall be solely responsible for the risks and liabilities arising out of my trades that I place with **Mr XYZ**.

Warm Regards,

**X101K111**
