

## **INTERIM RMS POLICY FROM 5<sup>TH</sup> MAY TO 16<sup>TH</sup> MAY**

Dear Associates

Considering the extreme volatility in the market due to the ongoing “Lok Sabha” elections and its result to be declared on 16th of May, we are constrained to implement with immediate effect, the interim policy on RMS to be followed strictly.

- No debits in any client codes will be sustained till 16th of May. Any purchase shall be adequately covered with the clear available balance.
- All existing debits (if any) are required to be cleared by 6th of May either by way of payment or sale of shares. NO T+5 would be entertained. Non adherence of the same may lead to square off of position from head office.
- We would be providing intraday limit on one time of margin availability after appropriate hair cut. We may increase intraday limit on case to case basis.
- In FNO and Currency segment strictly one time limit will be there ( Margin Span+Exposure)

Your co-operation on the same to preserve the interest of the clients to sail through the tough volatility period is urgently solicited.
